

# **MISSISSIPPI FIRE CHIEF'S ASSOCIATION**

## **POLICY STATEMENT**

### **SELF DISPATCH**

It is the policy of the Mississippi Fire Chief's Association to discourage self dispatching of any resources to emergencies outside the agencies primary response area

It is encourages that all fire departments develop guidelines and agreements with surrounding jurisdictions to specifically address mutual aid responses.

This policy in no way is intended to interfere with any existing agreements that speak to self or automatic dispatching of resources.
