MISSISSIPPI FIRE CHIEFS ASSOCIATION

Greetings:

On behalf of the Mississippi Firefighters Memorial Burn Association we respectfully ask for your assistance. As everyone knows we have returned burn care to the State of Mississippi. It is now time to turn our attention to building a "Ronald McDonald" type house for family members of victims. As we know too well, burn injury care can require an extensive amount of time to properly treat patients. There is a severe need to reduce the financial impact to the families of burn victims by offering a safe place to stay during the care and treatment of their loved one.

We are respectfully asking for your participation in some type of fund raiser during the month of September of 2011. This is truly a worthwhile project and one of the many things that we need to take part in.

Once completed, please forward the money to:

**C/O Mississippi Firefighters Association
P.O. Box 1507
Brandon, MS 39043**

Please be certain to label the funds Burn Lodge.

Thanks everyone for helping to make this a reality.

Sincerely,

Rob Martin,
City of Brandon Fire Chief
President, Mississippi Fire Chief's Association

Sincerely,

Brad Smith,
State Fire Marshal's Office
President, Mississippi Firefighter's
Association
